Attorney for Debtor and Debtor-in-Possession

American Land Investments, Ltd., Debtor and Debtor in Possession (the "Debtor"), hereby submits this Amended Chapter 11 Subchapter V Plan pursuant to Section 1121(a) of the Bankruptcy Code and requests confirmation of the Plan pursuant to Section 1129 and Section 1191 of the Bankruptcy Code. All holders of Claims and Interests entitled to vote to accept or reject the Plan should read the Plan in its entirety before voting to accept or reject the Plan.

ARTICLE I: INTRODUCTION

Debtor filed its voluntary Chapter 11 case in the Bankruptcy Court on April 7, 2023. The Debtor is the owner of residential rental properties located in Miami County and Shelby County, Ohio. Debtor also rehabilitates properties for resale following renovation.

A. Explanation of Chapter 11

Chapter 11 is the principal reorganization chapter of the Bankruptcy Code. There are different types of Chapter 11 designations. In this case, Debtor has chosen to proceed under a Subchapter V-Small Business Debtor Reorganization ("Subchapter V"). Pursuant to Subchapter V, a debtor is authorized to reorganize its business for its own benefit and that of its creditors and equity interest holders. Formulation of a plan of reorganization is the principal purpose of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against interests in a debtor. After a plan of reorganization has been filed, it must either be accepted by holders of claims against, or interests in, the debtor, or be found by the Court not to discriminate unfairly and that it is fair and equitable with respect to each class of claims or interests that is impaired under the plan that has not accepted the plan.

B. Explanation of the Process of Confirmation

Generally, acceptance of a plan by the creditors and equity interest holders is important. In order for a plan to be accepted by each class of claims, the creditors that hold at least two-thirds (2/3) in amount and more than one-half (1/2) in number of the allowed claims actually voting on the plan in such class must vote for the plan and the equity interest holders that hold at least two-thirds (2/3) in amount of the allowed interests actually voting on the plan in such class must vote for the plan. However, as set forth above, a Subchapter V Chapter 11 does not require that each holder of a claim against, or interest in, the debtor vote in favor of the plan in order for it to be confirmed by the Court.

Confirmation of a plan discharges a debtor from all of its pre-confirmation debts and liabilities except as expressly provided for in the plan and Section 1141(d) of the Bankruptcy Code. Confirmation makes the plan binding upon the debtors and all claimants, equity interest holders and other parties-in-interest, regardless of whether or not they have accepted the plan.

C. Voting Procedures

Unimpaired Class. Claimants in Class 1, and 2 are not impaired under the Plan. Such Classes are deemed to have accepted the Plan.

Impaired Classes. Claimants in Classes 3.0, and 4 are impaired as defined by Section 1124 of

the Bankruptcy Code. Debtor is seeking the acceptance of the Plan by Claimants in Classes 3 and 4. Each holder of an Allowed Claim in Classes 3 and 4 may vote on the Plan by completing, dating and signing the ballot sent to each holder and filing the attached ballot. Class 5 shall not vote under the Plan.

D. Best Interests of Creditors Test

Section 1129(a)(8) of the Bankruptcy Code requires that each impaired class of claims or interests accept the Plan or receive or retain under the Plan on account of such claim or interest, property of a value as of the Effective Date of the Plan, that is not less than the amount that such holder would so receive or retain if the Debtor was liquidated under Chapter 7 of the Bankruptcy Code. If Section 1111(b)(2) of the Bankruptcy Code applies to the claims of such class, each holder of a claim of such class will receive or retain under the Plan, on account of such claim, property of a value, as of the Effective Date of the Plan, that is not less than the value of such holder's interest in the estate's interest in the property that secures such claims. In order for the Plan to be confirmed, the Bankruptcy Court must determine that the Plan is in the best interests of the Debtor's creditors. Accordingly, the proposed Plan must provide the Debtor's creditors with more than they would receive in a Chapter 7 liquidation. It is anticipated that in a Chapter 7 liquidation, the Debtor's unsecured creditors would be paid in full and they will also be paid in full under the Plan. The Plan however will allow Debtor to continue to operate its business which is a benefit to all creditors in classed 3, 4 and 5, and preserve the equity interest in the business. Accordingly, since the Plan proposes payment in full to all creditors, the Plan satisfies the requirements of Section 1129(a)(7).

ARTICLE IV: HISTORY

American Land Investments, Ltd., was formed as an Ohio limited liability company on November 25, 1997 by Duaine Liette. Since that time, Duaine Liette has been the sole member of Debtor. Debtor's headquarters are located in Sidney, Ohio and have been since its inception. Prior to 2021, Debtor was operated by Duaine Liette and his wife Angela Liette who was primarily responsible for Debtor's bookkeeping prior to her initiating the State Court Litigation.

A. Events Leading to the Commencement of the Chapter 11

In 2021 Angela Liette initiated the State Court Litigation by filing for divorce. During the State Court Litigation Debtor became aware that Angela Liette had absconded with significant amounts of money from Debtor's accounts. In conjunction with this case, Rescom, Ltd., ("Rescom") also filed for relief under Chapter 11 on April 7, 2023, in Case Number 3:23-bk-20540. Rescom is also an Ohio limited company and Duaine Liette is the sole member of Rescom. Like

ALI, Rescom's business is owning residential properties that it leases and it also rehabilitates properties to sell.

Following the initiation of the State Court Litigation, Angela Liette sought the appointment of a Receiver for both Debtor and ALI. In December 2021, the Court in the State Court Litigation appointed Matt Sorg as Receiver for both Rescom and ALI. The Receiver remained in control of Debtor's assets until just before the filing of the petition herein. The Receiver is an attorney whose primary office was located in Dayton, Ohio. The Receivership proved harmful to the Debtor and its business operations due to the Receiver's inability to deal with problems at Debtor's properties and the costs associated with the Receivership. The Receiver regularly was late making payments to Minster Bank and failing to collect rents due Debtor. Additionally, the Receiver was charging the estate between \$3,000 - \$3,500 per month.

Debtor did not believe that the receivership was sustainable, and would not lead to an actual reorganization of the Debtor. As a result, Debtor elected to file its bankruptcy petition in order to reorganize under the Bankruptcy Code.

B. Risks and Benefits Related to the Reorganized Debtor

The risks associated with the Plan are that the Debtor will not be able to operate profitably going forward, and that the Debtor will not be able to liquidate its properties at the projected amounts to satisfy the claim of the secured and unsecured creditors. Debtor believes that those risks are relatively low, and Debtor believes that it will be able to operate and generate a dividend for its unsecured creditors.

The benefit of this Plan is that it will allow a small business to continue operations. The benefit to all creditors is that they will receive payment in full of their claims through Debtor's continued operations.

C. Ongoing Operations

Debtor intends to continue the employment of Duaine Liette, who is an insider. Duaine Liette will be paid a salary of \$24,000 during the each year of the first three (3) years following the Effective Date, and \$12,000 per year for years four and five following the Effective Date.

ARTICLE V: LIQUIDATION ANALYSIS

The Debtor has interests in real estate. To the extent of Debtor's interest, almost all of the Debtor's real property has been pledged to Minster Bank, however, the Debtor has significant equity in its real property. If the business were to liquidate under Chapter 7 of the Bankruptcy Code. Under a Chapter 7 liquidation, the value of the funds available to unsecured creditors would be \$252,022.51 (**See Exhibit 1**). The values of Debtor's real estate were based upon values that the properties were appraised during the State Court Litigation. The liquidation analysis was based on the liquidation sale of the properties at auction which will result in a lower sale price than would be achieved under normal marketing and listing of the properties. This factor was conservatively determined to be ten percent (10%) of appraised value. Additionally, the values were reduced by ten percent (10%) for additional costs of sale. Additionally, under Chapter 7, there will be costs associated with maintaining the properties until liquidation. Based on the calculations, the unsecured creditors will receive payment in

full under the Plan, and will receive more than if the assets were liquidated in a Chapter 7 case, and that the Plan is in the best interests of creditors. As set forth on Exhibit 1, the amounts that unsecured creditors will be paid under the Plan is \$371,127.68 while they would only receive \$252,022.51 under a Chapter 7 liquidation. Additionally, under Chapter 7, there will be costs associated with maintaining the properties until liquidation. Based on the calculations, the unsecured creditors will receive payment in full under the Plan, and will receive more than if the assets were liquidated in a Chapter 7 case, and that the Plan is in the best interests of creditors.

ARTICLE VI: PLAN PAYMENT AND COMMITMENT PERIOD

The Plan provides for a reorganization and restructuring of the Debtor's financial obligations. The Plan provides for a distribution to creditors in accordance with the terms of the Plan from the Debtor over the course of the Term, which is five (5) years from the Debtor's Confirmation Date. Classes 1 and 2, which consist of Allowed Administrative Expense Claims and Allowed Priority Tax Claims, shall be paid in full or provided with other treatment consistent with Section 1129(a)(9) of the Bankruptcy Code.

Class 3.0 consists of the Claims of Minster Bank, The Allowed Secured Claims of Minster Bank is \$535,588.90. The Allowed Secured Claims shall be deemed fully paid, satisfied, and discharged when Minster has received payments having a total value equal to \$535,588.90 plus the contractual interest rate owed to Minster Bank on each of its claims. Reorganized Debtor shall satisfy the claims in Class 3.0 by making payments as required by each respective loan.

Any unpaid balance of the Allowed Secured Claim shall be due and payable on sale of the assets of the Reorganized Debtor or change in control of the Reorganized Debtor. Should the outstanding balance not be satisfied upon such a sale or change in control, the successor to the Reorganized Debtor shall continue monthly payments to Minster Bank, as provided for herein. Notwithstanding anything to the contrary herein or under applicable law, the Allowed Secured Claim of Minster Bank shall not be discharged if the Reorganized Debtor otherwise completes this Plan.

For Class 4, Unsecured creditors holding Allowed Claims will receive distributions once a year of the Net Excess Funds. The Net Excess Funds will be distributed *pro rata* annually to Class 4 creditors on November 1st of each year beginning on the First Distribution Date and continuing on each Subsequent Distribution Date.

As outlined below, the Plan proposes to treat the following categories and Classes of Claims as follows:

<u>Class</u>	Description	Treatment Summary	Voting Status

Class1	Administrative Expenses	Paid in full in Cash or provided other treatment consistent with Section 1129(a)(9)	Non-voting
Class 2	Priority Tax Claims	Paid in Cash or paid over the period provided for by Section 1129(a)(9)(c)	Non-voting
Class 3	Minster Bank	Paid pursuant to loan agreements	Voting
Class 4	General Unsecured Claims	Paid from Net Excess Funds	Voting
Class 5	Equity Interest	Retained	Non-Voting

ARTICLE VII: PROJECTIONS

The Debtor anticipates that it will be able to pay current operation expenses and fund the Chapter 11 Plan payments. FocusCFO assisted in the preparation of the projections for the Plan based upon Debtor's historical revenues, historical expenses and information provided by Debtor relating to future sales of its real estate and costs associate with rehabilitating its properties.

As set forth above, Debtor was not in possession of its business for over one year during the time in which the Receiver was in place. The Receiver did not turnover the books and assets of Debtor until March, 2023. Since that time, Debtor has been working on reconciling Debtor's finances.

Additional fine details of this summarized assessment of the Debtor's business operations and anticipated growth were used to create a 5-year cash flow forecast.

These financial projections for December 1, 2023 to November 30, reflect disposable income (as defined by 11 USC § 1191(d) of, \$88,320.00 which is sufficient to fund the Plan during the first year. Additionally, the financial projections for the Term show its ability to fund the Plan over the Term based on income from rental properties and anticipated sales of real estate.. **The Debtor's projections are attached hereto as Exhibit 2 which includes projections relating to the sale of Debtor's real property during the Plan.** With the assumption that the business operations of the Debtor will remain consistent or increase over the term of the Plan; the Debtor will be able to fund the Plan for the Term.
